

Youngstown State University Invites you to learn about its Advanced Programs for Educational Leaders

- **Hybrid Superintendent Licensure**
- **The Hybrid Ed.D. In Educational Leadership**
- **The Supt Licensure + Ed.D. Ladder Program**

All Advanced Programs Share these features

- Hybrid - combine online instructional modules with periodic face-to-face meetings to ensure convenience, quality and opportunities for networking
- Meet one day a month or 5 times per term on days and at times arrived at in consultation with members of the cohort
- Regular university faculty and cadre of practitioner leaders deliver instruction in YSU programs
- Student-friendly Transfer Credit and Tuition
- Aligned with state and national standards & “Nationally Recognized for Excellence in Administrator Preparation” by the Educational Leadership Constituent Council

The Superintendent Licensure Program

- Cohort begins Summer 2013 – completed Summer Term 2014
- Focuses on “What Superintendent’s Do and How They Do It”
- Superintendents – both current and former- play particularly prominent role in delivery of courses and learning experiences
- 15 hour program- 4 courses + one clinical practice course
- Integrates clinical practice assignments & mentoring by veteran superintendents across entire year
- Offers instruction on resume, electronic portfolio and personal website development, as well as opportunity to participate in or observe mock superintendent interviews

The Superintendent Licensure +Ed.D. Ladder Program

- Maximizes licensure credit that satisfies Ed.D. elective hours
- Begin Supt Cohort Spring 2013- enter Ed.D. Fall 2014
- Attend selected Ed.D. functions while in Supt Program
- Seamless transition from program to program

The Ed.D. Program in Educational Leadership

- Doctoral Core Begins Fall 2013 (or 2014) – completed Summer 2015 (or 2016)
- Cohort includes educational and health & human service professionals for rich cross disciplinary exposure
- Rigorous core of Leadership and Research Courses
- Strands of Electives including Licensure Courses that count toward degree
- Encourages dissertation research on contemporary problems
- Credit Forward and Transfer Credit Friendly Program
- Total 69 hours- 36 core, 21 hour electives + 12 dissertation
